PROJECTS

Power BI, Global Power Plant Analytics Dashboard | Nov 2025 - Jan 2026

- Developed an interactive Power BI dashboard utilizing global power plant data to visualize energy capacity, fuel types, and geographic distribution.
- Created dynamic charts, maps, and key performance indicators (KPIs) with integrated filters and drill-down capabilities to enhance usability and facilitate data-driven insights.

Vyndo, Brand Development & Market Strategy | Nov 2025 - Jan 2026

- Executed an in-depth brand audit and growth strategy for Vyndo, assessing positioning, target segments, and competitive gaps.
- Delivered strategic recommendations supported by digital marketing execution, on-ground activations, and a new product concept to strengthen brand visibility and consumer engagement.

Marketing Strategies, A Study of Unorganized Markets | Aug 2025 - Sep 2025

- A field-based analysis of marketing practices in the unorganized retail sector, focusing on vendor strategies at Ravivari Bazaar in Ahmedabad. The study examined pricing tactics, customer engagement, locational advantages, and informal promotional methods, highlighting how traditional markets stay competitive through trust, affordability, and adaptability.

POSITION OF RESPONSIBILITY

Club Treasurer

| Feb 2023 - Mar 2024

- Managed ACM event finances, including budgeting, reimbursements, and expense tracking to ensure smooth execution of technical activities. Worked closely with the core team to develop financially sound event plans and maintain transparent records, contributing to a more active and engaged computing community on campus.

Head of Social Media

| Aug 2023 - Nov 2023

- Spearheaded social media campaigns that significantly improved user engagement and brand visibility, while designing and executing digital promotions that boosted event attendance and audience involvement. Produced impactful video edits and graphic designs optimized for platform reach, and led a team to streamline processes and implement effective content strategies.

CERTIFICATIONS

CERTIFICATIONS	CERTIFYING AUTHORITY	DESCRIPTION
Web Development	Internshala	Gained foundational skills in building responsive, user-friendly websites using HTML, CSS, and JavaScript, along with an understanding of modern development tools.
Data Visualization with Power BI	Great Learning	Developed practical skills in transforming data into clear, insightful visual dashboards using Power BI, and applying analytical tools to support informed decision-making.
Business Communication Master class	upGrad	Enhanced professional communication skills by focusing on clear and confident message delivery, developing expertise in structuring both verbal and written communication.

VOLUNTEER WORK

Robin Hood Army | Jun 2023 - Sep 2025

- Volunteered with a community-driven organization focused on reducing food waste and supporting underserved communities. Assisted in collecting surplus food, organizing distribution efforts, and ensuring meals reached individuals and families in need. Contributed to awareness initiatives that promoted responsible consumption and highlighted the importance of addressing hunger at the local level.

JECRC UNIVERSITY | Mar 2023

- Managed participant registration and data with accuracy, assisted in planning and executing events on schedule, ensured compliance while resolving issues promptly, and reported participation metrics to the committee to support smooth event operations.
